By checking this box, I represent that I am an authorized representative of the business and agree that StreetShares ("SBA Participating Lender") may share the information and documents submitted with this application with the SBA and other third parties as necessary for the purpose of processing this PPP loan application.

Start Application

The submission of an application is not a guarantee that the United States Small Business Administration (SBA) and/or the SBA Participating Lender will find the application complete and accept it for filing. The SBA Participating Lender and/or the SBA may refuse to file or accept the application or may request additional information rather than accepting the application for filing, in which case the application will be considered resubmitted when the supplemental information is received from the applicant. The submission or resubmission of an application is not a guarantee, and we can provide no assurances and decline to provide any assurances, that the application will be accepted or, alternatively, funds will be available at the time of submission or resubmission. Therefore, it is important that you have accurately completed the application in its entirety and have submitted the necessary documents to substantiate the information and calculations contained therein. Please note that funds are limited and, in all cases, subject to availability from the SBA.

The loan will be underwritten and issued (if approved) by the SBA Participating lender, not by StreetShares.
